CRAZY GRAZIN'

The fourth Crazy Grazin', Saturday, August 22, is the magnet that pulls us out of the city to the country.

Cleo McPherson, Albert Bolton, Co-Chairmen, and their picnic planning committee, which includes Edwin Goldsmith, Helen

Parham, Nora Budrick, Beverly Dixon, LeRoy Lahman, and Victor Yamakawa, are blueprinting an outing that will be a real preroundup celebration for Dynamic Lake Shore District Scouters. Activities for young and old are being drawn up.

Great expectations for fun are way up, while cost this year slides down a peg. So spread the news and watch for your letter with reservation blank and other details.

We will distribute each leader's program notebook, program planning chart, and fall program quarterlies, so if you know you'll be away on vacation at the time, be sure to arrange for someone to be present in your place.

Mark your calendar now, Saturday, August 22, for the fourth "Crazy Grazin'." See you once more in Sycamore.

GROWTH PROGRAM

Merril Shadow, Organization and Extension Chairman, and Emanuel Duncan, Growth Chairman, have completed plans to open the doors for more Cubs, Scouts and Explorers. Your cooperation is asked in making Scouting a reality in the lives of boys not now Scouts.

"The smallest deed is worth more than the grandest intention."

WE DID IT

You did a grand job in expanding boy opportunity in Dynamic Lake Shore District. Our district was the recipient of the Silver Boy Award as the number two district in Chicago Area Council. Congratulations to each of you.

Let's be number one district in the Chicago Area Council. You make the difference by registering on time, and with a plus in

boys.

"The great thing in this world is not so much where we stand as in what direction we are moving."

UNITS DUE TO REREGISTER

FALL ROUNDUP OF BOYS

Find Adventure — Join The Scouts; Better Scouting To More Boys. Slogans such as these mean little unless we do our best to make them a reality. To help us do this, the Frontier Roundup will begin on August 1, and end on December 15, 1964. We are hoping that each unit will fill out its membership pledge card for 8 to 15 new boys. Our December 15 goal is 70 units and 2,000 boys.

IMPORTANT ROUNDTABLE

The August Roundtable promises to be a very important one: New plans for the great Fall Coordinated Camporee will be brought forward; opportunities available to boys through the "Strengthen America's Heritage" program will be discussed; program notebooks and fall quarterlies will be passed out; new district merit badge counselor

lists will be issued; and the Frontier Roundup will be explained; all along with the other unit and district operations that make attendance at a roundtable valuable. And, of course, there is nothing like the fine fellowship.

The 1964 Commissioners' Conference features: chuck wagon feed; outstanding, humorous, and inspirational speakers; tour of construction at camp; and fun—fellowship—fishing—all for \$4.00, including meals. Commissioners. Don't miss this wonderful trip.

WHY I WEAR A SCOUT UNIFORM

- Because I am proud to be publicly identified with a movement like the Boy Scouts of America.
- Because a real leader uses example, not precept, and I want to be that kind of a leader.
- Because the uniform levels us all. We're no longer rich or poor — we become Scouter and Scout. "A Scout is a brother to every other Scout."
- Because the uniform reminds me that I am pledged to the same high ideals as those of the boys.
- Because the uniform is a comfortable and practical costume for camping and all outdoor activities. When I get into my good old Scout uniform I feel like a regular Scout.

ALONG THE SCOUTING TRAIL

By Alden G. Barber

As summer wanes and fall approaches Scouters traditionally get ready for the "big push." IT'S ROUNDUP TIME!

This means we encourage every boy to invite his friends to join the pack, troop or post. It means goal setting, special parents' nights, Tenderfoot and Bobcat investitures and special recognition for leaders and units that make the goal.

But this fall let's add a new ingredient—at least for Boy Scouts and Explorers—summer camp sign-up time!

Too early, you say? Never! Announce now the troop is going to camp. Set the dates. Pay the site fee. Tell the parents now. More boys will camp in '65 because we planned early.

AUGUST 8 NEW DATE FOR WHITE SOX GAME

Scout Day at White Sox Park was rained out on July 18, so a new date, August 8, has been established as Boy Scout Day, according to Harold Paradise, chairman of the committee handling arrangements. The 12,000 Council Scouts and leaders who had signed up for July 18 may use their green passes as rain checks for August 8, when the White Sox play Boston Red Sox.

OWASIPPE TO HOST EXECUTIVE BOARD

Members of the Council's Executive Board will spend Friday and Saturday, August 21 and 22, at the Owasppe Scout Reservation, it was announced by W. R. Blew, trip chairman and chairman of the camping committee.

Special planes will fly the Board from Meigs Field and Midway Airport late Friday afternoon, to return Saturday evening.

OWASIPPE TO HOST COMMISSIONERS

The Annual Commissioners' Conference will be held in the new Family Camp at the Owasppe Scout Reservation the weekend of September 19-20 with Brigadier General John D. Lawlor as Conference Chairman. All commissioners including neighborhood commissioners have been invited to attend. Theme of the Conference is "The Commissioner Serves." Conference presentors include: Allen W. Mathis, Jr., Council Commissioner; Robert W. Reneker, Council President; Alden G. Barber, Scout Executive; Mitchell Szady, Arthur Brenke, Trevor Tucker, all area commissioners; and T. A. Sedam, Deputy Council Commissioner. Featured speaker of the Conference will be Frank W. Braden, Regional Scout Executive, Region Seven, known for his outstanding work throughout the nation with commissioner staffs.

CANOE USE POLICY

Clarification on the national policy regarding the use of canoes has recently been received from the National Health and Safety Committee, BSA: "We are now requiring that all persons using canoes be SWIMMERS. This is based on our standard classification used by all Scout camps throughout the country which requires that the individual can swim 100 yards in a strong manner. Any person (boy or adult) who is not a swimmer should not go on a canoe trip."

BARTHOLOMEW NAMED TO FINANCE POST

Paul Bartholomew, long-time Lincoln Park district executive, has been named assistant director of the Council's finance service by Alden G. Barber, Scout Executive.

Mr. Barber said, "This promotion is in recognition of Paul's outstanding work in the field of finance, and our desire to utilize his services to the greater benefit of our Council."

GROWTH PROGRAM LAUNCHED

221 new units are needed to complete the growth requirements of the 1964 phase of the Years of Decision program, it was reported recently by Robert M. Buddington, Council organization and extension chairman. This would bring the Council to an anticipated 2,128 units at year-end.

The growth program calls for a meeting kickoff on Wednesday, October 7, at McCormick Place. Buddington said that our long-range goal of serving 100,000 boys in 1970 is based on the number of Cub packs, Scout troops, and Explorer posts available in the neighborhoods of our Council where boys may join.
